Issues of attendee participants of using video audio recording devices should be clearly listed on the agenda. Those who demand privacy during an open forum meeting have the right to NOT attend or be remote but forfeit their right to actively participate and eVote. Security of the proceedings is easy by digital write once, read only public use of 100% secured databases using SolutionBankFraud.com and FOIA.ONE systems.

An assigned 'TIMER' person can use a signal light or small sign to indicate elapsed time has been exceeded to limit long 'filibuster' discussions. The group can hand vote to permit the person to continue their open public forum explanations.
9. The host mediator is 100% responsible for maintaining order of respect and dignity in all conversations.
