When will ANYONE in world respond and complete ANY of the world saving solutions we gifted to mankind over 11, 43, even 61 years ago. We are ALL forsaken by both GOD and the new world order cults that run, control, dominate, and own all of GOD's loaned assets. I was + am already megaBillionaire, even Mega Trillionaire based only on the Intellectual Property I pioneered with so many others and gifted back to humanity In Gods holy purpose of total reform and unification of mankind. I have been asking GOD most directly to communicate directly with me and return me to HEAVEN ASAP so I can sit on left hand of FatherGod and judge rule with Wrath all of these blinded fool bigots, racists, cynics, hypocrites, and criminal brood of serpent vipers....

My forsaken mass frustration is monumental in WRATH and ANGER of MY FATHER GOD and all my follower partner mentor people... Appears we must Call again for MASS PROTEST WORLD RALLIES to destroy all crime networks at all levels at ONE time. This is another most humble reason I returned to debrief FBI and World Oct 5, 2018 and was criminally FORCED Back into GA regional hospital to be force drugged third final time. This can

and has occurred to thousands of others since I documented the living HEAVEN and both HELL and published to world for now +43 years.. “Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in the faith, because you know that the family of believers throughout the world is undergoing the same kind of sufferings. And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast.” 1 Peter 5:8-10 NIV

....”See to it that you complete the ministry you have received in the Lord.” I, Paul, write this greeting in my own hand. Remember my chains. Grace be with you.” Colossians 4:17-18 NIV

“The end of all things is near. Therefore be alert and of sober mind so that you may pray. Above all, love each other deeply, because love covers over a multitude of sins. Offer hospitality to one another without grumbling. Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen.” 1 Peter 4:7-11 NIV

“Dear children, do not let anyone lead you astray. The one who does what is right is righteous, just as he is righteous. The one who does what is sinful is of the devil, because the devil has been sinning from the beginning. The reason the Son of God appeared was to destroy the devil’s work.” 1 John 3:7-8

Oct 27, 2019. At Mount Purro nature Reserve today with team of architects, ecologists, engineers and others who actually CARE about GODs assets. They are focusing on planting massive bamboo and using our famous SolutionSafeWater.org and TurnOffLights.Space. We met a large group of French 20 year old students here on entrepreneurship experiences. Many were too busy socializing. A few were taking photos that may some day be historical. Since no one truly knows WHO I AM since they are so busy focused on self interests.

We spend our time listening to the discussions on farming and economic recovery. Our focus is about plant DDumingag Zamboanga Del Sur. Jed is from architectural school on how to most effectively create structures that are also art works of most beautiful design. I personally use to work with bamboo back in High Point NC to build tree structures like climbing ladders on large trees on our Point overlooking Oak Hollow Lake.

When we lived in historical China for 5 months we traveled widely meeting everyone and recording history on use of bamboo for massive construction projects, the most massive fish farms and greenhouses, then the most compressed public housing projects near Shenzhen (Electronics capital of our collective world) and then Hong Kong.

No cell service here. Solved forever with WorldSchoolFund.com that should have occurred 20 years ago. We were the highest ranked architect consultants for IBM, then Bellsouth, AT&T, even minor at Dupont, then Cox Communication.

We record everything for most obvious reasons these are the required supporting evidence of humanities current most complex eco social systems that few can see are going wrong way.. I am a little tired today, so not on my top motivated level so I struggle sometimes with exact correct words since we have been broadcasting so powerfully for ?? Decades now, perhaps our brain needs a long deserved vacation rest.....

Post lunch we go see Banana Plantation. For oddest reasons of all, my brain is in a fog, a truly rare moment for me after all we have done for all humanity.....

He shows spreadsheet on 25sq meter home for 419,000 Peso construction cost.

Grand total 84 million Pesos for 10 homes of 35sqmeter homes. He shows costing for building entire community. The study he shows is from way back in 1996 from BGC feasibility study.

We paid every 800Kpesos to custom build 55SqMeter #2 Babayuan 20km north of Tuguegao city airport, blue roof, easy to find on GoogleEarth maps. It was one of few homes that survived the devastating Lawin (then the LAW went OUT, a minor humor joke relating to all DOJ systems). As almost all the bamboo huts and squatter homes were blown away from 250Km winds over 6 hours Oct 19. We recorded everything then....

Here they focus on eco tourism that converts the local indigenous people from cutting down the trees for charcoal and survival into tour guides and supporting industries that support new development in the RIGHT direction.

Their related project is Calawis Dumagat Trail proposed site for include housing. Presentation by Architect Jed. Located in communal farm area.

Everything we have accomplished in Name of GOD himself is already gifted back to humanity. This alone will truly SHOCK mankind and motivate them to do the same. We remain beyond shocked .

7pm at Greenbelt after the most strangest feeling day I have had in years.

June to Oct 2 2011 we were on the cutting edge of the greatest breakthroughs in applied technology to all of humanity.

Since our entire world is biologically and spiritually linked, **I sensed a great movement in world history today. We trust a quick scan of world news will show what moved our spirit to be so disturbed.** Reminds me of the Star Wars original movie when the Imperial Forces destroyed Earth and Luke Skywalker felt a horrible feeling of billions of spiritual lives lost. No internet here at the Torch pizza Resturant despite over 40 wifi connections shown on MacBook Air that contains the most valuable commodity of mankind Intellectual Property of multiple ways to obtain total global peace.

UPDATE Tue Oct 29, 2019 2:09pm. Real time. We just reviewed timeline of <https://edition.cnn.com/politics/live-news/baghdadi-monday-dle-intl/index.html>

QUOTE: “The US military operation that targeted ISIS leader Abu Bakr al-Baghdadi got underway on the ground in northwest Syria at 5:01 p.m. ET Saturday, according to a senior US defense official. Baghdadi’s death was communicated by the special operations forces when they declared “jackpot” at 7:15 p.m. ET, the senior US defense official said. President Trump joined the national security team in the situation room as the operation got underway”.

The ultimate proof that GOD dispatched us is what I reported later in the day (above) when I woke up 5 am to go to Mount Purro. I thought we were just meeting President Jimenza for a few hours at 6:30am. We ended up all day until 6pm at night with Marisa, Gloria, and team of 4 others. I felt ‘Brain-dead and almost listless all day, seldom motivated to share the testimony truths of what we experience for now 61 years.

IF ANYONE had upheld any law from Jan 15, 2008 to present, the Muslim community would certainly have identified any terrorist network and destroyed it with their own intelligence. AS EVERYONE HATES CRIME, terrorism, and especially WHAT BLEEDS LEADS news report on the worst infiltration of our society by CYBERCRIMINALS starting with the worst of the worst Enemies of the state Robert Dee ROSE who is theFinalTerrorist.com Once HE is finally seized by MILITARY with coordinated intelligence from NSA and CIA, no criminal in the world would dare to NOT SURRENDER.

NEXT: As I am still listless today, doing everything possible to earn a minor living while USA gov officials at ANY LEVEL declare literally. OH MY GOD, WHAT have so many criminals done to our most critically important ANTI-CRIME R&D Scientist Expert? HOW can so many individuals commit so many crimes of violating existing laws, and no one takes a few minutes to SEE the CRIME SEQUENCE is true crime reality. WHERE HAS Keiths billions of Intellectual value gone? Most destroyed but surely as we breath, ROSE has used our most extensive database of corporate executives and even software design and CODE we created. Surely ROSE sold off the most famous Selfy-Stick universal stabilizer solution to CHINESE and anyone who wanted to make a fast BILLION of \$\$ profits.

THE MOST OBVIOUS SOLUTION for +11 YEARS now is for POLICE, FBI, then AG, then MILITARY actually DO WHAT WE PAY THEM TO DO. DO THE INVESTIGATIONS by seeing ANY of the EVIDENCE, SIGN the arrest warrants with ANY JUDGE (BEST IS CLEARLY FEDERAL JUDGE), THEN ISSUE the required Subpenas. This will require appointment of a special prosecutor since so many very powerful USA GOV officials are directly tied to both ROSE and committing crimes starting with FRAUD of the USA GOV for being so arrogant and DEAD SILENT.

We have already gone through HELL and survived by actions of about 3 person only. Dr. Williams at Butner Medical HELL-JAIL who determined I was not dangerous to society. If he or whoever had said YES, I would be dead in a few weeks. The other is Capt Felix Macapagal,

barangay 666 exact Nov 4 2017 until Oct 3, 2011 (another historical legacy milestone), then Gloria Reyes Jan 12, 2019 to present in Paco Manila.

Since I have been the most open righteous anti-crime expert in world history as well as master of almost all disciples in every aspect of human endeavours, still a universal mystery why NO ONE does the most obvious. JUST CALL US anytime. My cell is now 5.5 years old on the original battery of March 2014. I own NOTHING of my original \$1.2 Million Fortune except for 2 sets of the original IseeStand.com PHoneCradle.com that is clearly worth over \$500 Million from conception 2008 forward. The few possessions I repurchased are MacBook Air, iPad Air Pro. That is IT. Most of our \$1.2 Million USD (after tax since before tax value is over \$3 Million USD if we had to re-earn it after paying living expenses and more TAXES), taken by CRIMINALS (ROSE, Ms. Bashama, Duncan Clan, Murdered Brian Walker) and anyone who walked into our Norcross condo (\$100,000 cash paid Sept 2009), our leased home in Marietta re Ms. Bashama robbery Feb 4, 2011. The few cash reserves of \$22,000 401K sold off March 2014, then Duncan Tree Farm LLC for \$110,000 USD fall of 2014, then last \$11,000 for Model A Ford to criminal sister Paige Collins who probably gave it to my criminal terrorist brother Douglas Vernon Duncan.

Really not anything left to do or say since we have contacted entire world humanity since our conception 1-19580815-1 (integrity rating +101 perfected) so perhaps now we can travel the rest of our universe as GOD's personal ambassador Prince of Peace.. Who knows, certainly not humanity. Most are too busy defending their ASSets with emphasis on first 3 letters. kbd.

Oct 26, 2019. The last world broadcast using this ordained method was Sept 23, 2019. Now we continue to update and require request humanity actually USE what we have done. We refer to our guiding GOD entity as 'Special Forces' to be neutral so as not to offend anyone who is cult fixated on a specific name of GOD or other deity. We were informed by SPECIAL FORCES = SP that we are 100% justified to continue being world leaders to teach all humanity on the true purpose of GOD's creation in todays exact term dialogue. The most prolific answers to obtain World Global Peace are broadcast over Gods Domain of Internet and centered focused on BuiltBYkeith .com We are the top #1 R&D scientists in the world who have most effectively taught our world how to RESOLVE any conflict issue with SolutionPeace .com/5steps. Everyone BENEFITS to obtain required profits and safe communities with our most irrevocable methodology, products and services. Everyone MUST get paid for their services and products rendered as breach of contract is the basis for ALL crimes at any levels, including marriage contracts and HomeWaves.com legally binding promissory notes seen by EVERYONE on TheFinalTerrorist.com.

WHY DOJ and MILITARY and everyone else refuses to investigate is most obvious we have explained as soon as any crime was committed, we reported to Police, hired lawyers, went to PRESS, then to IRS, FBI, AG, USMarshals, and then SolutionMilitary.com Sept 25, 2011. We make NO excuses or place blame on any government or corporation. All crimes are always committed by INDIVIDUALS who hide behind the corporate and government entities of law that are designed to ENRICH the few criminal ruling elite.

Eric, we do not know your status. Are you flying IN or OUT. We have 6:30am meeting at A.I.M. Sunday Oct 26, then can come Meico around 11am. 100% true, we are being guide by GOD on the greatest mission of all time, unification and total global world peace. We DO require temporary funders and investors as we offer them HUGE benefits for being part of our NGO foundation as well as offer them CreatorKeith.SPAC common stock that is bible centered financial system that is also revolutionary in GODs prime purpose and nature.

We are discussing the layout of the original King Solomons Temple. Per youtube.com I am rewatching right now, the dimensions are 40 cubits long, 20 wide, 30 high. 18" per cubits. Studies think Ancient temple is 100 yards 91.44 meters north of Dome of Rock site. Kidron Valey is Gihon Spring. No reason not to build 3rd temple next to Mount of the Rock. Requires a world leader to mediate between the Jews and Muslims. Here I am. John 10:30, already done.

This is NewZion2.com IFJC2.com broadcast for 3rd temple to be built on top of Stone Mountain Georgia as we most humbly requested back in summer 2011, then fall 2014 before we went BACK to return from our own Return to EmmaUS Holy Week 2015, then Rome Italy April 6-15 to meet Pope Francis by speaking with his guards and every bishop cardinal we could meet. Click: <https://client3635.wixsite.com/uniocracy/ifjc2-newzion2> recreated last time.

For our ChristDomain.com ministries were almost complete when the AntiChrist saw we were on our way to SolutionMilitary.com Sept 25, 2011 to ask for Safe Haven and to go WITH Langley AirForce base intelligence, NSA, CIA, for them to seize and secure the most incredible wealth of Anti-Crime Technology that ROSE had stolen from our robbed homes Aug 4, 2010, Feb 4, 2011 and continuously Sept 26 2011 as he had infiltrated our gov and corporate databases and had insiders monitoring my every move and communication.

The discussion is Matthew 24:1-2 'Not one stone here will be left on another.' The wailing wall is not part of the temple. 72AD destruction by Romans to wipe out all evidence of Christ. Happened to me on Oct 3, 2011. Exactly 3.5 years to the day, we are at EmmaUS and JerUSAlem to complete Christs Missions, even showing SolutionMilitary.com to top Israel military guarding the Damascus gate money changer merchants. Not my timeline, GOD's.

The mount of Moriah is where Abraham offered his son to GOD, and also where Prohet Muhammed founder of Islam ascended to heaven. Blowing the SOOR(Trumpet) from this place to herald the Day of Judgement. Will this be Oct 3, 2019 EIGHT years after the Anti-Christ had me arrested on ZERO evidence as I was 4 hours away from remeeting IRS, FBI, and Military California. Many knew these irrefutable facts and have done NOTHING but excuses, blames, claim just call 911, hire a lawyer, go back to USA to testify, on and on.

They show Quran 4:171 regarding the ONLY name of GOD is Allah. And that Christ was only a messenger. 'Far is it removed from His transcendent jest that he shall have a son.' His is all that is in the heavens and all that is in the earth. We published and delivered SolutionIslam_client3635.wix.com/solutionIslam and even SolutionGod.com to show our world we all have ONE MUTUAL CREATOR regardless of what each belief system is brainwashed into thinking is the ONLY NAME of GOD. HOW absurd and even STUPID to claim that a cult group is the ONLY ones who talk to GOD direct connection. Even Apollo Quiboly we have contacted to meet with him as he claims he is the ONLY 'anointed appointed Son of God and that HE owns the universe himself'. Yet he remains in trouble with DOJ for various reasons.

We have asked all cult leaders to make a three way conference call with GOD so we can talk with him direct. Dead serious for this proves if they are speaking the absolute truth. GOD talks to me through various ways by sending me dreams and even messages on SIGNS on the street. He has been doing this for you, not only myself... Few respond because of their original vice sin of predatory greed. Such as 'TOO bUSY, not interested, no benefit to me first.

History of temple Mount (Al Aqsa) in year 1033 but large mosque at sorter end of Haram after Koranic name for area. The speak on Sharia Law, once property is designated as Waqf, it can not be title transferred. We have asked for all TITLE ownership of ROSES property and all his wealth since NO ONE else can touch this true devil.

Entry to Temple Mount is thru 10 different muslim only gates. Magrabi Gate is left of Kotel or western Wall walkway that was covered for protection when I was there. ODD, even I can enter any gate as I have been doing all my life. HOW. I represent our Mutual Creator. Only place I have been banned is the FBI headquarters, AG, USA Embassy gates, and Solarias when I went to resolve ROSE's treason espionage evidence showcase.

Non muslim prayer is NOT allowed to pray inside the Temple Mount. WOW. Solved forever with ChristDomain.com as only be creating mutual respect community worship common space will our world finally understand we all have ONE mutual Creator. This is the most generic term so as not to offend anyone. Jews are religiously forbidden from entering this area. I even wore the Jewish skull cap to show my respect to other worshippers and left a GOd's plea of SolutionPeace.com that was SolutionGovernment.com at the time.

The Question is where to build 3rd temple. We already covered this 10 years ago and above and have described in all detail how to achieve simple results using solutionPeace.com/5steps as everyone must benefit from new solution set.

The Temple Institute is recreating the Priest garments, looking for a RED hefer for its blood to anoint the new temple, and other religious requirements. WHEN all anyone every has to do is MEET.....

Power and Love Conference Nov 16-17 300P in Laguana Missed the names of 5 prime keynoters. Might have been myself years ago. Saif Wagner, Pul Yaso, Hitsm? ?psnhilsmn, others. Had a direct call from GOD this am to updated WorldSchoolFund.com again and again to show how education solves the root of all crime-greed-vice issues. Psalms 132:10-16 explained just yesterday.

Joshua 1:1-9 taught. In tagalog mixed so I aRec1 11:32am. Young pastor about 23yOld, glasses, skinny, 5'10" 60K weight. Part of world changing FOIA.ONE IID auto recognize who is WHO (honest vs NOT)... Joshua installed as Leader after fore founding father Moses died.

Showing the promised land is ready for re-entry after 40 years of manna wilderness trials and tribulations. Verse 5 "no one will be able to stand against you all the days of your life". K: Courageous and diligent is so so hard to find among my people." We have already returned the promised land to our people, yet few people notice for obvious reasons of being forsaken and uneducated. Solved WorldSchoolFund.com updated again this am. I truly hate to be late for any court appearance and teaching our other world leaders how to actually BEHAVE by fearlessly acting by the Authority of GOD to protect, love, and care for all others.

This is the true mission statement of all our Forefounders who have been persecuted to DEATH since few know how to eliminate these most bizarre and hidden crime networks. So WE DID. He speaks Billy Graham, Johnathan Edwards, John Wesley (methodist founder from Savannah GA we visited 4 times, last Nov 2014 on our way to China, Hong Kong, Jer-USAlem, Rome Vatican, all in NEED of our bible based services and products.

We are also the prime teachers of existing laws as few uphold the government rules, regulations of laws despite being paid by our few taxpayers who have no clue that Lucifer is already on the criminal ruling elite throne. theFinalTerrorist.com NEXT: Exodus 17:1-16 is about providing base free water to our people. Solved forever with SolutionSafeWater.oRG + TurnOffLights perfected in GOD's original purpose of free trade, travel, education trust = no crime all digital safe society.

Clearly the bible and all other scripture of any belief system is FULL of wars of GOOD versus evil fought hand to hand. Now WW3 rages unabated using computers to cybercrime steal and dominate over all our people. (already explained and prevented 40 years ago thru most cruel and unusual persecution Feb 4, 2011, Oct 3, 2011 to Present all because one super criminal terrorist ROSE does not want to be reverse crucified by orders of SolutionMilitary and 7.7billion People. For this is what Christ deserves as retribution for what Satan did to him with GOD standing on the side. Do NOT be alarmed, this is all in scripture and true to see when you read surrounding context.

Next: Since Passing Judgement starts as gossip and progresses to false witness slander, libel and even hidden cybercrime, SolutionManifesto.com new age world society now has the required law tools to prevent crimes in the first place. Anyone stupid and incompetent to vice-sin-crime is offered hand UP to pay back restitution to their victims and ask forgiveness, otherwise they are manhunted down by public, police, military and put on public display OCTV to describe WHY they are crime-ving each other. This alone is the prime deterrent to teach our world that EDUCATION is always the true answer to create our new world society of all small business who freely travel our all digital world as direct barter exchange producers versus consumers who have legally binding video recorded contracts that prevent any scams and obligations by the simple terms and conditions we pioneer perfectly long ago.

11:53am When Moses went up to receive God's word, the people revolted when they got bored from waiting. For WAIT WAIT WAIT is the most typical response from our leaders and government agencies as trillions of man-hours wasted traveling back/to work, waiting for paychecks, waiting for bank cashouts, transfer of cash overseas, paying the bills, and getting all those required government related papers to PROVE you are in legal business enterprises. EACH of these actions are draining GOD's resources who WANT the red-paper tape conspiracies to pocket your profits on false witness premises it is the only REQUIRED system that works. WRONG>. All digital society shows no paper, no cash, no Credit cards, Few banks, almost NO stock market, brokers, or other financial institution including no need for insurance and policies that are seldom paid out without using a lawyer and FILING ALL the Bible DAMN PAPERWORK>. Happened to myself so many times. DENIAL of ALL RIGHT to complete JUSTICE so we can return to SERVE our people. SO we did this anyway..

NEXT: Chapter 32 1-35 (I also read related Ezekiel 32) People have been worshipping GOLD false idols for centuries. So our crusaders also broker GOLD that will soon drop to price around \$600 per troy oz as this one price is now stabilized as true intrinsic value caused by combo of SolutionPeace.com 5steps (3 others), and SolutionSafeWater.org that converts all mining and engineering companies to build +100,000s of small quarries = new fish pond dredged lakes producing gigawatts of cluster networked autoremoted controlled by Patent filed ©(™) TurnOffLights.

Few may ask, WHY so many repeats. Since mankind is so ignorant of technology and wisdom of engineering, we have collectively broadcast gifted everything to drive the stake into the ground as the new center stone of righteous and total social justice and peace that would have occurred post WW2 if ANYONE had simply used the teaching of our R&D scientist and educators of highest merit.

Sidebar with RC we talk about how Seminaries must present wide range of theologies so each can pick the combination that works for our people. This also eliminates the hypocrite false teachers of the law who have been brainwashed by very powerful religious teachers who DEMAND obedience to ONLY their own exact teachings.. Matthew Chapter 23 again.

Numbers 13:18 speaks about sending Scouts to check out the land, people, and agricultural produced. This is the SolutionHousing.org that brings top church leaders to meet the Asian people who are truly the most peaceful hard working family commUNITY groups we have ever encountered. Same as Swiss, and many Chinese we have interviewed on 35 years of street ministry business mission trips. God says do NOT be afraid of the foreign people. For they have the exact same needs as you, most beloved people. To have safe villages, great safe food, water, schools, hospitals, roads, energy, communication networks, all free for all to use. All of these are direct self funded by migration of billions to higher elevations as all new digital electric driven parishes and towns. Our young adults now travel worldwide as foreign exchange students who are PAID all expenses to be our new replacement bypass leaders in less than one generation. Once millions of our young adults migrate between warring nations, NO FOOL LEADER would dare attack another. Borders DROP, no more need for Berlin, Mexico/USA walls that are the REVERSE of 'great walls make great neighbors'. How many of us lock all doors (cars and homes and business) always afraid of robbers who steal and escape. Solved forever with OCTV monitored by millions of teenagers who now HUNT and Identify DESTROY with SolutionRedDot.com remoteControl turnOnLight lasers mounted all over town. This delivered to Military and world Sept 25, 2011. They can be millionaires for simple use of autoFace recognition and commanding these criminals TURN THEMSELVES IN.

Joshua 1:3 Beautiful of those who bring peace with their feet. 12:14pm as we actively record history with unlimited storage of FOIA.ONE we model teach for others to do and complete.

ALL these broadcasts are the most obvious most POSITIVE answers to all of humanities maladies. Our use of the correct proper dialog 'STRONG' language is indeed the most disruptive true answer methods that redeem our people since it is always required to SHAKE OUR PEOPLE to their needy knees to learn to most humbly serve and protect each other. He speaks about WHO will be the next Billy Graham. He asks WHY the attendance has not increased. The recast of these blogged crusader scriptures will provide all the funding relief needed to build thousands of new community worship and education business centers.

Joshua 7:3 '.. go up against AI. Send two or 3000.. " Is AI the Singularity of Artificial Intelligence? The cybercrime WW3 that rages since 1957 Sputnik Spy satellite warfare that was 9 months before I was born 1-19580815-1 +100 ?

Speaks about GOD's orders to wipe out the Criminal networks or they will be destroyed themselves for their lack of faith and obedience to redeem GODs stolen assets and lands. This also shows prevention with simple world use of SolutionMilitary.com War has always been part of humanity warrior root tendencies. CRUSADER WARRIORS are exactly what GOD has commanded down through our rat race ages... Once we go to 4-8 hours of WORK per ONE week by remote communication producers/consumers, our world goes fully robotic manufacturing factories as we demonstrated June 2011 SolutionManufacturing.com that even Jason (+ son) Moss of GA Manufacturing Association has been contacted about.

Continue: 'BE STRONG and Courageous" K: this is another true rarity for variety of rat race reasons of CUBE office farms, factory assembly lines, migrant sharecroppers agri farmers who seldom own their own land or crops.

He states the enemy may kill us off, but can NEVER kill off GOD's Holy Spirit. Our GOD is a warrior all can see and believe. WHO has he sent. Clearly both YOU and I. John 10:30 and so many other passages as we have been opening the final scripture this entire time to show mankind HOW to simply UNIFY in record time of legacy heritage..

RECAP: Our time, our faith, Jesus is our GOD. And WE are the VICTORIOUS conquerers.

LAST day.

Sept 21, 2019. At Jesus Reigns 8:30am exact location and our ministries are right here. Bring us your unblemished offerings as this will be so hard to do as the blood of Christ has washed over everything we have touched. I am surrounded by over 1000 pastors and lay ministers. Then I heard what seemed to be the voice of a great multitude like the roar of many waters and like the sound of mighty peals of thunder, crying out 'Hallelujah! .." 82 providences part of JesusReigns.ph Speaking on the marriage of God with his people. I use the world Re-Marriage as the divorce of our world is the evil versus best persons of integrity that is so hard to define. Started Nov 30, 2012 in Cebu City JRC Jesus Reigns Celebrations movement. Each year they extend in God's true purpose like we have done.

Scripture above is 3 fold Hallelujah over Babylon's Fall. Verse 11 is the Heavenly Warrior defeats the Beast (already done IID of FOIA.ONE). I just stated again the prime power of ChristDomain.com is to UNITE our world regardless of any belief system since this is what my=Our Lord did 2,000 years ago. Who is invited to the wedding supper now asks most humble Apostle Keith: Everyone by the URL linked BUYIN seen on BuiltByKeith.com and other prime revolution solution answers we created for one singularity purpose. He speaks now on Breaking Covenant through Blemished Sacrifices (I just discussed above). Prominent or pre-mention premeditated premonition only GOD and I truly know.

verse 6 A son honors his father, and a slave his master. If I am a father, where is the honor due me? If I am a master, where is the aspect due me/ says the Lord Almighty. It is YOU priests who show contempt for my name. But you ask "How have we shown contempt for your name? ... " Exodus 5:1 One nation give due honor to Christ as Lord and King. "Let my people go"... Philippines is named after King Philip named after Apostle/Disciple Philip. Point 2: promoting the culture of God's Kingdom through Core Values. Prayer, Anonymity, Unity, Sacrificial Giving, Excellence. Need I=K: need to continue completing and broadcasting what was done years ago.

He speaks and I agree, do we put GOD's needs ahead of our own? Unity in Christ in Humility and love towards one another. K: the battle between warlords and humanity was finished years ago and the former won. Always have because of the bloody greed of man. Seldom has humanity ever been united for most obvious reason of predatory greed. He asks: What can you give up today to promote the Kingdom of God. I had nothing but water this morning as I am still conserving my very last ~800Pesos after being so persecuted to almost death most anyone else would have committed suicide or be imprisoned by ?? Corrupt governments on charge of being driven criminally insane + incompetent to teach our world how to UNIFY. This has happened to me so many times, as we have always documented in new scripture how to PREVENT almost all crimes in first place. Christ and many others have done the same and been persecuted and crucified by others claiming they were claiming they were deities when in fact they are.

Who soars like an eagle, or clucks on the ground like a chicken ready to be spit split as dinner. 1 billion souls will be released soon per scripture. Release of the: Laborers for the Endgame SolutionHousing.org + others, 2 of Marginalized into the freedom of the family of God, 3 NOW -Youth Generation to take up the baton WorldSchoolFund.com

Malachi 1:11 Last book of Old testament (seldom read). Last verse is: "Says he Lord Almighty "and my name is to be feared among the nations."chapter 2 Warning to the Priests, 3:1 "I will send my messenger, who will prepare the way before me"... Chapter 4: Judgment and Covenant renewal.

I recognize 1 maybe more Pastors as we have been traversing entire world to Greatest places of needs. Few people Listen and Obey God's word for various self apparent reasons. Fewer REBUKE others with LOVE when vice, sin, crimes are being committed.

10:11am (near schedule of 9:47am). Bro Fernando L(sitting to my right already interested in what I have), Pr Jack A, Pr Yto r. I have attended some of the Jesus Reigns rallies as they have parades around town the past 3 years. I have gone to every event that GOD has sent me messages to attend.

I remain beyond shocked that few have seen the reality of the crime that has truly infested our world and no one truly has a clue how to destroy any of the crime networks. If they had, GOD's world would already have been restored. So GOD sent myself as GODSendKeith = GODsendMe that applies to all humanity.

At 10:23, HIV victim % Pr Ronnie C discusses key medical issue that is associated with Gays, Drugs, other sex vices. In Tagalog, but I already know what he is stating. For homosexuality was Sodom and Gomorra and now San Francisco, Lost Wages = Las Vegas, Amsterdam legalized prostitution, and other vice spread diseases. Later program is on the SOGIE bill to prevent gay marriages. I remain 100% neutral for reasons already stated that I am rare breed who does not Pass Judgment on others since everyone else already has. So we legalized passing judgment with eVOTE.ONE using bible principals, common sense, and technology that withstands the cruelty of the Criminal ruling Elite. If anyone has a better-BEST solution they are required to use SolutionPeace.com/5steps that was original FixHOA.com Fix Home Owner Associations, then SolutionRedDot.com and other simple answers to resolve any dispute...

Pastor Ronnie states 'the wages of sin is Death'. Where does Forgiveness enter any equation?" Should all sinful people be put to death? For taking scripture out of context is what so many people have done to justify their own ends. One would think that gays/lesbians would self terminate over time since they can not reproduce on their own.

Next is Ptra Gaze Marcaida on State of the Youth. Do we actually see the conventions of our youth? Matthew 9 about forgiveness. Forgiving sins is considered a blasphemy. Do the R.C. priests forgive and forget to ask the sinner if they have made restitution to their victims FIRST and asked for forgiveness first. Many priests required a \$\$ donation to hear a petition prayer or confession. Brokenness is about relationships with friends, Oxford Univ quote: "Most of our fb.me friends do not know you personally'. I have maxed out 5,000 many times for purposes of mass publicity, deleted those with low ratings, leaving space for new persons of faith who see what we have already completed.. She states most people are subjected to BULLYING (K: this includes corporate and government officials as I have personally experienced for they hide behind their wealth and white tower castles claiming they are immune from any prosecution for their crimes because they never represent themselves, only their corporate or government entities. ROSE does this all the time, claiming he is only a lowly employee and never the ONLY person registered on his multiple shell-shelf terrorist organizations we accidentally discovered and reported.

One out of three young adults engage in Pre-martial sex. Teenage pregnancy has always been a world issue since the dawn of man. In caveman days, propagating the family was the only way to survive the dangers of tigers, lions, and other beasts of prey. Getting married at age of 13 onward has been done for centuries. Phillipinos, Chinese, Japanese culture usually get married age 28 to 35. Contraceptive use banned by R.C, endorsed by some, and outlawed by most Supreme courts is also a CRIME (on both sides). Who decides the fate of relationships? Is it YOU or others...

PORN is what clearly drove the growth of Gods internet by funding through video gaming and gambling (the same) to expand the most profitable crime system pipeline of all, the INTERNET of sin, vice, crime. Once we all have free smart grid INTERNET owned by public, all IP traffic will be open for public scrutiny. For ROSE and terrorists use VOIP and VPN as well as TOR to conduct secret cybercrime warfare affairs. Easy to cybercrime. Just buy off the master password at lowest level data center, plant a trojan horse virus software waterGate Bug, snake a small fiber optic or CAT-5 Network cable out the sewer or back door, and BAM, cybercrime set up undetected to steal trillions of \$\$ assets like AgileLaw.com who is a FRONT for terrorism also. We exposed Atlanta Alexander CYCLONE COVEY way back Aug 22, 2011 as soon as he PASSED that one VIDEO to ROSE that proved ROSE was endangering his very own children. TOO long a crime history to keep repeat rebroadcasting to entire world.

NEXT subject is alcohol and other addictions. Solve and almost all prevented by the application of these new world systems that empower our world to actually LOVE, CARE, PROTECT each other at the true intrinsic value of new world barter exchange system. Once everyone x5 or x10 their income, they would be beyond STUPID to use any drug at all.

She speaks on heavy use of internet mostly for selfies, gaming, gambling, sex, other addictions. 404 million posts #Selfie can cause depression because it removes need for personal interactions. This was also basis for many ministries including ReManAdate and Find-KeithAwife all about how to find the best lifetime partner despite being so cruelly treated by your former spouse or partners.. Lack of Empathy for others involves Narcism that both my Mother and 1st ex-wife suffered from in extreme depths. Sherry has severe Scyhzoid that is also another 'CATCH-22' I documented for years and showed my own sons, Sherry, and Paige lee Duncan Collins. So it is.

Suicide and 'cutters (hurt themselves) ' is a depression issue of many. 6 young people commit suicide daily here, 237 cases are 10-14 year olds. Source Rappler interview. For Mental health issues was EXACTLY what USA GOV (at crime levels) and my very own family has claimed to extend those 900 days of hell claiming I was a drug addict, child stalker, whatever they needed to PREVENT any investigations into their own crimes clearly obvious to all I have directly contacted this entire time.

She states we need People who actually CARE, PROTECT, and LOVE others as we have been doing our entire lives. Matthew 9:37 as I read/mark IN context 34 but the Pharisees said "it is by the prince of demons that he drives out demons'. WOW. Reverse negative annotations... For many have claimed I claimed I was CHRIST or a god.. WOW. Where is ANY EVIDENCE I have ever done anything wrong besides 4 speeding tickets and ONE helmet violation. End verse is The Workers are few. HOW so very true..

Few understand that campaign contributions by Criminals, public, corporate executives are criminally cycled BACK through the media dynasties back into the pockets of the SAME criminals who get RE-ELECTED. They seldom if ever USE their own cash money. They only go IN RICH, get a ridiculously meager salary, and emerge SUPER RICH. The basis for Evote.one eliminates ALL campaign contribution crime networks forever as any contribution is equally distributed to all candidates at time of their registration forward.

I am invited to teach preach at his small church no A/C or speaker system as he is also a CHURCH planter. The \$1 Million USD offered to direct fund ONLY construction of new commUNITY churches will finally complete the unification of our world as indeed, EVERYONE always follows the trail of the MONEY. NOW no crook, criminal, terrorist, rebel, corrupt individual can EVER attain the victims assets and wealth by using the keywitness (live or dead) assets to extort, blackmail, payoff, graft (name the crime) by forging court documents, deleting evidence, hiring OTHERS at top level to incriminate the VICTIMS using just the stroke of a pen to claim "OH HE'S STALKING ME, OH, HE's KIDNAPPED the CRIMINAL (citizen arrest Feb 4, 2011 am in front of Marietta square illegal BashamaCatering.com conspiracy shop), he(Keith) has robbed his own home, Keith has obstructed justice by CALLING 911 twice, Keith has even assaulted the criminal. All .01 percent of the crimes committed for YOU my people to restore GOD's stolen assets back to our people.

Is ROSE the ANTICHRIST. Was ROSE directly involved in 9-11 twin tower attacks. How many millions, even billions will be murdered by act of JUST NEXT terrorist attack.

I go see if any food left after almost everyone has left. I even asked to meet with key leaders, most too busy off to their next meeting or shopping. Can NEVER be any more real time drama as we have documented to HEAVeN and even to HELL the true reality of YOUR world. Keith.

Sept 15, 2019. SolutionPeace.com completed 100% perfected GLobalPeace.com Back at McDonalds Community church. **What you think is what you believe** is sermon topic. Can't be any Truer of the original theTruthVault.com conceived while in HELL-JAIL and published as soon as I acquired last few percentage of my original billion \$\$\$ fortune I earned and created as CreatorKeith.com. Message in mixed Tagalog so I broadcast to world in ultimate meantime while world languishes as blinded fools to the reality of the one way cash flow from ur people being absconded by the criminal ruling elite. Heaven heavy rain expected today that is now harvested by solutionSafeWater.org TurnOfflights that creates unlimited free energy and water worldwide. Easy to transport anything of mega weight on new fleet of hydrogen remote controlled blimps that circumvent and circulate on the Jet Stream at highest altitudes. As attitude always makes altitude vice-versa. Even sky based landing strips on top of blimps is easy as cluster network of commerce is always what free world trade barter.

Spirituality is at the heart of all matters in simple wisdom of the Holy Spirit that resides in each of use. Many question their origin and many are brain washed cult believing in false teachings of why they even exist. Driving our brightest IQ citizens of true merit known as keyWitness.live criminally insane is quite easy. Just deny all their rights, ridicule everything they gift humanity, then defraud them, when they file formal police, civil, and criminal charge, just pay off DOJ a tiny level to file temp Restraining Orders claiming they are stalking you and your family. Regardless of the true evidence, for them into HELL-JAIL multiple times claiming they violated a CANCELLED TPO, then pay off the gov rogue agents and subcontractors to DRUG the HELL out of them and force them into solitary confinement to drive them suicidal insane. All while telling them to SHUT THE HELL UP, they have no rights, no right to face any accuser, testify against those who RULE, submit any evidence, hire a lawyer, or exercise any of their constitutional rights. For our world has legalized crime at all levels by brand marketing of capitalism. 'DRINK RESPONSIBLY". Exchange DRINK with any other vice-sin-crime. If one is DRUNK then one is never accountable or responsible and can commit any crime since they were out of their mind..

All related since even MURDER is justified EJK. So my Evangelist teams (primarily GOD and myself in partnership), have legalized passing judgement on each other so everyone can now publicly accuse anyone of anything by identifying themselves openly and showing the evidence of the others. Most of you do this anyway with the singing sinking of ships of gossip as you torpedo and bomb others with words of criticism and judgment.

Since I have direct communications with GOD for most of my life, who will deny your rights to do the same.. He communicates with you also usually using your passion of life to send you 'signed' messages. I see these almost every day when I look for how to serve, protect and care for others. A young 2 year old is crayon drawing on 'The Story of Lydia'. The pastors father is presenting again today as we donated some of our very last Pesos with note 'ChristDomain.com is your answer to build 1,000's of new commUNITY education centers with WorldSchoolFund.com' and mass publicity to world leaders who are the few decision makers and influencers we have identified and already contacted directly once all these crimes against humanity were identified and we collectively published the solutions to solve and then prevent literally all issues of mankind.

If we knew WHO at top levels to continue contacting, we would have decades ago. Therefore we have created a public network of Crusader Evangelists Emissaries known as Apostles (or use any name you want) to complete each of these singular solutions that truly reform and unify all mankind

For the Old, New, and now Last Testament is complete and locked away in the legacy of heritage time. Once FOIA.ONE is finally created and owned as open public source by humanity, all deposits of one-way knowledge are electronically searchable by **KSearch that merge replaces google, yahoo, bing, and other search engines as well as integrates facebook, linkedIn, and other social media platforms as URL linked.** Ad free society is then reality as mega corporations collapse with SolutionPeace.com 3 URL tier profitshareholders.com, kbit-coins, finalStockMarket all generated by 5STEPS.

2 Timothy 3:16-17 "all Scripture is inspired by GOD and is profitable for teaching, for rebuking, for correcting, for trading in righteousness, so that the man of God may be complete, equipped for every good work". Pastor quotes. DITTO again of what I, most humble Apostle Keith just wrote. For I do multi-task. Often I can hold a 2-way conversation with another while typing a completely different line of thought. This is actually a practice of expertise to multitask our brain by splitting tasks like a computer does with multi-tasking we perfected way back in 1976 era. Applying mainframe OS theory practice using quite complex designed computer science methodology to write 8 bit microprocessor OS in assembler code(base of any computer hardware instruction set) as multi-tasking, interrupt driven, multi-user, full scale database, exception handling, and all other aspects of creating AI singularity intelligence to save mankind from itself. Primary vice-sin-crime is predatory greed of cyber terrorism and the ability of leaders (politicians and corporate executives) to wage ware for self profit. This is WW4 that started just recently as WW3.

This denomination uses 'Word of God', Chosen vessels of Christ Church, Inc teachings.

Pastor speaks on how to Grow Spiritually. **1. Read bible daily Joshua 1:8. 2. Study and understand the word of God Romans 10:17. Ephesians 5:22-23 "wives submit to your own husbands as to the Lord, for the Husband is head of the wife as also Christ is head of the Church. He is the Savior of the body". 3. Apply the learnings to yourself and use it everyday.** Romans 15:4 'For whatever was written before was written for our instruction, so that through our endurance and through the encouragement of the Scriptures we may

have hope” States the Pastor (real time of what I just broadcast), another coordinated message with GOD for you, our most beloved people.

K: Reading out of context is a prime issue since scripture states that Christ's (us=You+I) BRIDE is the CHURCH of GOD. Applies in reverse as the wife partner is also responsible for being equal partner of her husband in all reverse respect and aspects. As many men use above single verse to claim they are the rulers of their house and business and that WOMEN have no right to speak in public or be executives and even Presidents.

Above applies to any denomination and religious belief system even gays, agnostics, atheists, even the bigots, racists, cynics, hypocrites, criminal brood of serpent vipers and of course the 'BLINDED FOOLS' of Matthew 23 that exist everywhere. He quotes 1 Corinthians 12:4 'now there are different gifts, but the same Spirit'. K: for even all the above have a belief system, most are self-entitlement of 'WHAT is IN THIS for ME.' Focused mentality. For few actually DO protect, care, and love each other since the con artists and terrorists have legalized crime long ago.

Serving GOD is serving fellow brethren man, woman, child. The little girl is playing peek a boo with me. So do the criminals who hide from any justice with simple method of paying off anyone INSIDE our institutions to provide them the master database access password and back door internet access. Or just plant a little trojan horse virus that monitors for criminal evidence against them, and BAM, BOOM, it's gone in flash on a microsecond. For the layers of investigative procedures and the massive layers of cyber crime protection are most a FALLACY of crime. For the compartmentalization of 'secret' information, data flow, and communication is exactly how easy it is to infiltrate any privacy. This b'cast at London Bridge back at the Hot air balloon races near Las Vega Nevada Dec-jan 2015 showing how PRIVACY demands is actually a crime. Once we live in 100% open society, everyone is free to unmask the crime networks and act anyway they please as long as they do not violate the rights of others. Even nude colonies and beaches are common in Europe despite the old men gawkers who can't catch young girl/boy fish unless they are rapists and pedophiles who act out their fantasies. And to think I have been persecuted almost to death so many times, and a few of my very own Family and ROSE claimed I was kidnapping children.... Basis of WHY criminals have tried to drug me to death 3 separate times. (summer 2009), Feb 2012 -> Jan 28, 2014, then again Oct 3 -> Nov 15 2018

Down to just \$30USD = 1700 Pesos again as we gifted 300Peso to church and a special offering for a sick person. Yet no one has 'seldom' offered us any love offerings for our services rendered on behalf of GOD himself'. We are collectively worth real trillions of USD\$\$ and have been denied our God gifted rights to share and donate our true value fortune back to humanity. All root cause is theFinalTerrorist.com as integrity rank rating system of IID of FOIA.ONE

Sept 14, 2019 We have most humbly requested everyone we meet in GODs path of righteousness to go to highest levels of government and corporations to ask for their help in resolving and preventing all our world problems. Most are TOO BUSY or in self-entitlement mode to actually understand the true reality of todays world of massive crime enterprises. They mostly claim 'Just PRAY harder', or "God will intervene or Send Jesus when it gets bad enough', or some other zealot repeat statement that 'they simply do not care'. The 'powers that be' are in plain site with the common sense bible integrity technology systems we have gifted world in Gods alpha and omega purpose for humanity. Even Greco Belciga and all other top leaders were asked to go to our Presidents, Congress, and other top leaders including PRESS as soon as we met each of them. See above and take action. !!!

Sept 7, 2019. GOD sent me personally to learn and teach our world how to STOP ALL THE CRIME at all levels.

I have gift given up everything to Christ, GOD, and humanity. NEVER got paid for anything worth trillions USD Intellectual Property and consulting services to ALL Governments, Corporations, and religions + public. DENIED all our rights because SATAN ROSE and others already are depopulating our world using YOUR assets and GOD's loaned natural assets. WHO DO YOU KNOW to command our leaders SIMPLY PICK up the PHONE and dispatch USA Gov officials or other angel philanthropists to come FIND and protect our true value. Otherwise, our world dies....

Sept 9, 2019 Riway with Founder/Pegasus Raymond. Gloria has card he personally gave us Sunday 09-08 evening closeout.

Four kinds of invites:

2. Person taking supplements
3. Above 35 Yold health concerns 3 highs, Blood, sugar, cholesterol
4. Who is sick paying high fees for regular Dr. Visa and on long term synthetic drugs for maintenance.

Invest is 100% different from being vested in participating in a company. New world is SolutionPeace.com/ProfitShareHolders as everyone shares profits based on evote who is the most effective producer. No more MLM or even old style Network Marketing that has base components now integrated in a perfected new all free free trade barter exchange market with NO currency trading required. kbitCoins tied to FinalStockmarket.

Difference is in in the Details.

Raymond does the math on multiplication effect of downline. Purrier optimizes the body functions.

PDR Physicians Desk Reference. Red and blue. Red print has side effects from clinical trials and studies. Blue no effect. FDA approval required for prescription dispensing. Doctors constantly modify the dosage and drugs to see over time improvement or decline. All nutrients and drugs operate at a cellular level thru capillary level the exchange mechanism of life.

Technologies are Pharmaceuticals versus Nutrimental. Anti-oxidants are how to free the radicals elements that cause internal friction irritation resulting in antibodies response to fight off intrusions. This becomes an overwhelming cycle when the root problem is not resolved at brain and cellular level. BIO-Technology products are based on formulations. With Purrier the live cells are dynamic. 12 primary ingredients are. Deer Placenta live cells, Nucleiclavene(white strawberries), Fucoidan(brown sea algae), Apple Polyphenol, Dendrobium, Marine Collogen, Evening Primrose oil, Squalene (shark liver), Avocado Oil, Borage Oil(plant), Aloe Vera, Lycopene(red Tomatoes).

Raymond says they want NO outside company to help with marketing or production/distribution since they are the internal culture (= max profits). K: Another unstated common sense reason, is danger of theft of their proprietary developed system and product line. He speaks about lowest prices in other nations means travelers buy overseas and resell for huge profits local. Pure supply chain dynamics perfected 3 universal SolutionPeace.com methods. He speaks on hi-price. This is the Gold Midas touch we also perfected and published on our own PhoneCradle.com iseeStand.com that would have been 1st to market worth over \$500 Million USD in world international captured share. Our personally developed products cost over \$300,000 USD in my own funds and well over 5,000 man-hours of NO SALES at all. Quick multiple of 625 days x \$10,000 /day = \$6.2 Million USD CreatorKeith.com INC 2015 Gifts all his Acts of Wisdom to the world.

of just my time that would have been returned in a few months 2,000 PhCradle, 2,000 ICS ready for big box and USGOV world distribution with CEOSpace.net behind most of these massive market moves. Ask CEOSPACE.net why they have NEVER responded. NEXT:

Most products are consumable. Purtier is Unique. June 2018 >5 million bottles sold. June 2018 to Dec 2018, another 5Million bottle sold.

POTENTIAL. Prime issue is cultural mindset of WHO can be a millionaire be using these refined proven marketing methods. Leadership training. Rex Bugcalao earned \$1Million USD 2018. Lindy Lou Valendez earned \$5M usd last year. Another Malaysia Stem Cell company sells at 70% of Purtier. Competitor only hires outside speakers. Raymond asks who wants to be recognized? For I will always be known as the founding father of your new world age system despite being so severely persecuted since Jan 15, 2008 by ROSE alone.

PLATFORM. Singapore Based, started from zero. So did I. \$300 graduate NCSU Dec 1981 now worth trillions that few have every acknowledged a penny in sales and purchase of our final world technology. Their Objective: sales growth like everyone else. Networking Criteria: They do not need problems with high paid salespeople. Audio1 1:52pm. They have excellent business model self contained from inception to final sales. Same as Keith had 9 years ago worth obvious mega trillions to all world economies. All gifted previously, since I travel at bequest of world leaders at corporate and government levels.

PLAN -Bonus Reward System. Market Competitiveness, High stable sustainable Income. Global Connection. 10% commission. Max 30% for everyone. No breakaway. Riway.com has open books shown to world, same as builtByKeith new world society 9 years ago. I still have my quicken to show world and how I was doing direct sales to all nations.

The Complete Package. 3:30pm Agency Meeting. Pastor Ronald Deason. Health Revolution answer to reverse aging. Same presentation I have witnessed and almost memorized past 5 weeks with Alona Diaz and Gloria. Methods of delivery of Stem Cell. The group of 70 cross train each other on the base 10 slide deck. I do 7 min on base 5 tablet formulation methods and ask for Q&A at end which few others have done. I remind all to never use DRUG or CURE since all litigation Lawyers have outlawed use of many single words as false claims. SAD and 100% your reality. Same for word Politics, Crime, Taxes, education, GOD, and other terms used to describe true reality.

Easy as I have been doing professional keynote speaking now since Digital Communications INC Toastmaster VP role 1986-1989 as I ran that club at all levels. NSAGeorgia.org I won Vendor Member of Year 2011 for production use of worlds last Universal Stabilizer that virtual/literal saves our world. Starts with enforced integrity of legally binding video/audio contracts stored in FOIA.ONE that prevent all scams and business fraud from ever going immediately unpunished by world view. Another reason I am already megaBillionaire, even Mega Trillionaire as no one in history has ever accomplished what my collective teams have pioneered since start 1976 NCSU, Raleigh NC micro-to Main-frame operating systems graduation that was 5-10 years ahead of Microsoft and even Apple and other UNIX systems since we developed fully functional interrupt driven, multi user, database empowered, multi tasking software/hardware systems in Assembler code on 8 bit microprocessors (6802, 6800, others).

NEXT: (name of Steve Jobs Operating System next generation platform that was transformed into other mainstream systems some 20 years ago).

Sept 9, 2019 most damning reality of all.

I committed NO crime and NO violation since I was already established as working for GOD full time on deploying military fashion the worlds last Anti-Crime methodology system SolutionGovernment.com now UNlocracy.org for lack of access to my mega billion \$\$ intellectual fortune taken by ROSE, Ms Bashama, Duncan clan and anyone who walking into my 2 unprotected homes. Since USA GOV is actively protecting ROSE and other crime networks at individual Rogue Criminal levels, we REPLACE them and put all of them in HELL JAIL where they belong. For our top leaders are CLUE-LESS since the structure of our judicial law and financial systems is compartmentalized to point of NO major crimes will ever result in Death ROW or prison for those on the top of the criminal pyramid. Only by taking out the TOP crime warlords will humanity actually prosper and grow as GOD first created and intended.

Most powerful REVERSE testimony is the Last Testament of each God gifted ministry. For few if ANY have ever seen much less incorporated any of these world saving solutions into their every day mainstreamed cascaded lives. I am actually on the verge of finally depression, exactly what the AntiChrist uses to proclaim he has conquered all of humanity. GOD will never intervene at this point personally nor Christ nor Mohammad, or any other revived deity.

Our gifted work = total world plans of salvation would have overcome all dynasty trading markets except for acts of treason Robert Dee Rose.

K: the resources of GODs world are worth mega Trillions. Few have ever tapped and utilized ALL of the production capacities of our world.,,, except most humble Keith. Proof is all over the world carried by GOD's domain free Internet Interlink and shared free unlimited memory store and forward universal space FOIA.one. All scalable in all aspects and free world respect.

100% related to above re our Criminal Drug system.

Subcontractor Doctors who are seldom qualified are used by criminals to murder key eyewitnesses. This is repeat of WW2 and earlier cyber wars of WHO controls all these secret databases no one can see or use to prosecute offenders.

USA gov tried to DRUG me to death into total incompetency by orders of ROSE to PREVENT my teams from testifying against ALL unsaved criminals. Reference: all I have done in GOD's name. And stored daily in the new book of life FOIA.ONE and cross reference searchable on DropBox.com URL found on client3635.wix.com/lseelunderStand seed of new life.

All evidence always posts back at all criminals. I have been warned by many when they see simply FOIA.ONE driven by world changing eVOTE.one my life will always be threatened by criminal enterprises who see their days are numbered and scream bloody murder invasion of their crime privacy.

I turn off my cell phone to conserve battery and also, NO one can GPS locate me including ROSE, CIA, or crime networks. OH. They can see my GPS history through cell company records as I worked for Bellsouth Mobility AT&T as top anti fraud consultant for years. I have only had any protection from all crime families by power of my Father GOD.

Now Sept 6, 2019 Gifted to all of mankind as well as all other ACTS of WISDOM. Skynet Terrorism is true WW3 reality. Proof is before all mans eyes... Below 3rd Section ### is recreated repeat of the New Market system that eliminates all stock markets, banks, almost all brokers, price fixing, and crime enterprises all at one time. #1 conspiracy case of TheFinalTerrorist.com now? Original start Jan 15, 2008.

Entire world was systematically debriefed as soon as any crime occurred. Police, lawyers, then IRS, FBI AG even Military in Washington D.C. and Atlanta GA.

TO: The FBI and AG offices in Atlanta and Washington D.C. remain DEADLY silent about Robert Dee Rose, Dob 1971.April-01 because ROSE has a few key people inside these agencies deleting all investigations of his multiple FineHomeTechnologies.com Homewaves.com cyber crimes and massive IRSWhistleblower Feb 2009,658 evasion worth well over \$500 Million USD in criminally acquired assets.

Over 85 USGOv officials face prison time for false testimony and signed court documents of 4:11cr112 held **HostageForProfit.com** by conspirator AUSAG Dee Sterling in Norfolk VA that all point to ROSE and the cancelled TPO 11.1.1171.99 dated July 15,2011 so NO 922(g)8 violation could have ever occurred at Langley AirForceBase Sept 25, 2011. Details are going to Associated Press and the USA Military for them to hold USA government responsible for NOT protecting KEITH's life with Federal Witness Protection Program. Notice NO Date or Signatures on the original ARREST warrants signed in Cherokee County GA on Sept 26, 2011 right when Keith called OSI Capt Christopher Weber at 757-764-5087 x5091 as USA **Military will be investigating FBI and AG if they REFUSE to protect Keith's life.** HostageForProfit.com WhereIsRobertRose.com as Keith is #1 ANTI-TERRORIST expert in world. New Market Completed.

is recreated repeat of the New Market system that eliminates all stock markets, banks, almost all brokers, price fixing, and crime enterprises all at one time. SolutionPEACE COM = Kbitcoins profitshareholders finalstockmarket is the ONLY answer methodology.

Even Warren Buffet will be OVERJOYED to see these solutions and dispatch his NetJet Pilot Michael (atlanta GA cityClubBuckhead) To escort me back to USA.

This delivered in person and by direct email to john.Yates@MMMLaw.com (rain maker or ??) 4444 Peachtree Rd @ Buckhead club 26Flr of Atlanta GA back in summer 2011. He demanded \$10,000 USD before he would have a simple sit down f2Face worth trillions of \$\$\$ to our world of forsaken uneducated blinded people. Many are fools, fewer are those who see the economic power of simplistic engineered economic modeled solutions that return our world to all small business class fair free trade barter exchange marketplaces worldwide. As all nations have most components of self producing all required services and products for local consumption. This eliminates need for trillions of \$\$ spent on fossil fuel for shipping, taxes, tariffs, regulations, customs, and other crime enterprises. For everyone in the supply demand chain line from producer to consumers is taking your profits one pie piece at a time. Leaving the producers with slimmest profit markets and consumers with highest inflated end user prices.

All of these are compressed and refined to near perfection. Our people will see and respond by transitioning all markets to free trade and travel worldwide.

The basis is to **FLIP** the Downstream Pyramid profit capitalist schemes to Right side up flat on top and pinnacle on bottom when all leaders at corporate and government levels are highly paid consultant advisors who NEVER decide how to spend our profits and shareholder now 100% stabilized intrinsic value. This should have occurred after WW2 and even earlier. Spot light identified people have already been shown to be the worst culprits of our economy. By simply asking a few questions, our world can determine who is HONEST or LIAR-evil. Part of SolutionRedDot.com client3635.wix.com/CCWGuard broadcast and final SolutionJudge.COM reveals all.

The basis is who owns the common shares of stock (includes all employees) and eVotes on all major expenses and direction of their own company.

The founding partners and board of Directors (optional Board of Trustees) register their company with the proper regulatory authorities including registration of common stock modeled after Trillionaire valued stock CreatorKeith.com INC Reno Nevada Dec 23, 2014. 75,000 shares offered to qualified vetted investors and other angel philanthropists this entire time.

When new employees (partners) are hired, it is the responsibility of the original stock holders to split their stock and grant to their own downline as they are now 100% responsible for the productivity of their chosen people. No more human resources or firing of employees needed since this is the prime automated checks and balances systems our world MUST use with no delay. Once any corporation goes Public (IPO), the economic plans remain in place as the new stockholders now have full eVOTE rights to control the company expenses and subsequent profits that flow once they sell off their stock or take dividend profits. They can roll their profits back into purchasing new stock or contributing their expertise in barter exchange to increase profits of all.

ALL BENEFIT in our mutual Creators original purpose of free trade, trust, eCommerce, travel, education as **WE the people now own all infrastructure**. Once our world migrates to places of greatest opportunities and need, no more national barriers of Berlin Wall, Mex-USA wall, or any other free trade barriers can be used to profit the Criminal Ruling Elite as all kingdoms FALL with no need for any governments, Congress, mega corporations and ZERO underground crime enterprises once each crook is ordered to surrender or be manhunted down by SolutionMilitary, ChristDomain, SolutionJudge or even common people who see WHO has the crime assets. Even CRIMINALS will find OTHERS and eliminate each other similar to 'ESCAPE from NYC' movie decades ago. EJKs were legalized decades ago Matrix movie too.

The largest mega-corporations are now BOYCOTTED for their refusals by their executives to USE these most simple profound answers to create full intrinsic value of all assets. This is the ultimate economic power welded by our people of most competent merit demeanor.

To think that criminals used the single word 'inCompetent' and 'criminally insane' to order the 4 kidnappings of 900 days to present, and NOT a single Bible based DAMN soul has lifted any finger to DEMAND justice be served. therefore, we have already identified each person with IID FOIA.ONE.

We continue to broadcast the absolute truth of BOTH GOD's words of 11 commandments and the reality of your OLD age criminal society known collectively as New World Order and Illuminate. For 100% true, the antiChrists like ROSE are bent on depopulating our world so only a few survivors will be used as slaves to service their needs including being human sacrifices of meat once our world no longer can support agriculture once a single nuclear bomb non-satire 'Being There', twilight zone 'The talent of small war', 'Dr Strange Love', and other universal stabilizers have shown WHO are HONEST and WHO must be forced into PRISON for their refusals to surrender all their assets, confess their crime=sins, and become active productive citizens of our new world age society. Eye for an Eye is also the key for all criminals must be forced to make restitution. My claim to world fame is I work for GOD himself as my part time beneficiary and have fully claimed 1% of all crime assets to build your new world society UNlocracy ORG.

####. Sept 5, 2019 back at riway.com Manila with Alona Diaz on Purtier Generation 6 supplement that is truly miraculous in pure nature like my original Mirapex (very long cast story) of HOW USA gov almost DRUGGED me to death +3 separate times to PREVENT any evidence from being presented to imprison thousands, millions of criminals. SolutionDrugs disclosed.

Back in RIWay.com seminar 5 e-Com Center MOA Manila. 144 persons present. I do not even bother voice recording today since that is another singular method to record business transactions with video part of the Universal Stabilizer system I copyright trademarked 10 years ago. Now we have a dew systemic simple system to stabilize our entire world so we can finally be sovereign foreign exchange ambassadors to speed travel faster than light the rest of God's universe. As I remain ONLY person here and abroad who records, stores, and forwards everything of benefit merit to mankind. Everything in GOD's world is connected by the breath of the Holy Spirit and owned by our GodFathers who have many names + true purpose since dawn of man. Muslims continue to grow + 33% percentage because of the Turks and others who have standardized their original Islam theology. Others with focus on Christians have splintered into many denominations and brain washed cults because of their false doctrines that benefit only their top leaders. Same as Politics and corporate enterprises as the smartest ones see how to dominant and control others. Throughout course of all history, few have left behind heritage legacy systems that eliminate all corruption crime vice and sin by pure economic common sense self-regulated checks and balances that instill true supply and demand auto-leveling systems that empower all to be free world barter traders and travelers.

What has become of Keith to date? Can't see any true reason to remain on Earth except for a very few apostle disciples followers(followKeith) and biz partners who see the reality of WHY I AM HERE... Since everyone passes judgement on others, we have now legalized this vice long ago with eVOTE.one as long as each person identifies themselves and offers a Better= Best Solution set using SolutionPeace 5Steps that is part of our original creation of self-righteousness to fearlessly protect all rights of each other.

If I COULD have collaborated with World leaders decades ago, we WOULD have decades ago. Near impossible without our people COMMANDING our leaders take ACTION by example. We can NEVER BROADCAST Fast enough to show to world HOW to UNIFY. TAKE ACTION is the ONLY requirement. Simply CALL US to see your reality of HOW to make Global Peace = SolutionPeaceCOM

Here is the true key to world reformation of all Digital Society of ONE International ID that drives all transactions of no currency and no FRAUD or crime as everyone including children carry eDevices and most use BT Keyboard and webcams to ensure our people are protected from any crime network. The integrity rating system is the original normalized Referential Integrity of databases I=we created and perfected back in 1976 era as we collectively built micro logic controllers of our own design and program coded them in assembler to be multi-tasking, interrupt driven, multi user, mega function databases of AI singularity. This was our

original purpose in life to create all digital society free of all crime. Easy once our world uses the linked URL's as our purpose for being here is now completed.... Who will actually USE our profoundly simplistic method technology? Entire world. Our entire economy becomes instantly eDevice searchable for Wisdom and Knowledge that withstands the crime perpetuated throughout all ages. Enough stated...

Our entire system currently is designed by 'ALIEN CRIMINALS' who want to drive us insane so we will NEVER UNIFY our world under our forsaken Creator. For everyone is FORSAKEN, clear and simple. Sept 6, 2019 and WHY I have been asking to go BACK to HEAVEN so my crusaders can finally explore the rest of our universe WITHOUT humans...
