Step #3. Set must benefit everyone in Specific Order

3. Your Solution Set must benefit everyone in the following exact and most critical order. If all parties are not benefited, **discard and return** to step #2, or start over with #1. Repeat until good enough to be NEXT world Standard.

- **Business.** a:Vendor b:Client c:Self d:Employee e:Manager f:Executive structure g:Shareholder h:Competitors i:Our world j:CreatorKeith.

- **Family + community.** a:Children b:Spouse c:Self d:Neighbors e:City f:State g:Nation h:World and of course, I:Creator GOD + MotherEarth + me.

- **Religion.** a:Others b:Creator c:Self -How much simpler can this be? When you Care and Love Others, you are taking care of GOD's and MY OWN PEOPLE.

4. Make new rules using the solution set. Used by ProfitShareHolders.space it replaces all Corporate By-Laws.
