The direct replacement of ALL Stock Markets occurs with this one perfected answer Solution to rid our world of all corrupt executives, insider crime trading, day traders, stock market speculators, any disaster triggered selloff and buy in that clearly criminally PROFITS by the most massive transfer of GOD's wealth to the Criminal Ruling Eltie.

Based on EVOTE.ONE, all stock holders of ProfitShareHolders.com now own voting rights for any company they work for as well as all stock holders of open public record.

In honor of the most prolific author Evangelist Crusader in WORLD history, this ONE new International stock Exchange will be called the DUNCAN Stock Exchange.

The By-Law Manifesto Charter requirements are below. This one commandment set creates your new world economy of full scale barter transactions that are 100% not taxed and NO transaction fees :

1. All stock ownership as well as all buy sell trade history is recorded in URLiDent.com and open to world to view who owns what stocks as vested qualified owners.

2. Any stock holder has voting rights to collectively decide the # of days delay between placing a Buy and Sell order into committed escrow account and the actual execution of the trade date between specific sellers and buyers.

3. No broker fees are allowed. No additional fees are allowed.

4. No taxes on any transaction. No Short term or Long Term Capital Gain or Loss taxes permitted by any government or institution. This prevents all government, banks, trading institutions from criminally profiteering because they control the exchange of stock ownership.

5. A Proxy representative may be appointed by any stock holder. The Stock holder and the Proxy owner must always identify themselves. This prevents all underground crime networks from hiding criminally acquired assets as well as prevents all money laundering by shell / shelf companies.

Any other stock exchange can easily transfer their stock ownership and historical buy/sell/brokerage history to the new URLiDent.com #1 OPEN Public database with the above trading history so they can SHUT DOWN all other exchanges and be free of future liability for any crime SEC trading activity.

This is the ONLY answer our **WORLD MUST USE**. Full empowerment of ALL PEOPLE at all levels to CONTROL and MANAGE/COMMAND their very own destinies.. Never been done. This CAN NEVER BE BROKEN once MASS PUBLICITY goes VIRAL by direct calls to INTL News Media and GOV officials and TOP church leaders. Keith Duncan

I have created a new single open public stock market system that replaces all other stock markets in record time. Called Duncan Stock Exchange in honor and maybe memorial of one one billionaire in IP value yet no cash reserves because of the infamy crimes against humanity conducted by cyber criminal terrorists. Repost this as that will be today's historical broadcast. 3 days resurrected from the dead Christmas Day as no one gifted me anything for past 6 years of pure hell. I was sold off to criminals by other career criminals this entire time to prevent these world saving answers from becoming mainstream YOUR new world society reality free of almost all crimes. Kbd

This is dead serious, always have been. I am ready to GO Back to HEAVEN as all my ministries in GOD's name completed. Actually completed fall of 2011 right when AntiChrist ROSE ordered MURDER for HIRE. For that is also the crimes he commits against so so many others as he is indeed. The DEVIL himself in disgusting truth. For ROSE attempted to BLACKmail EXTORT myself way back on Dec 23, 2007 in BLUE MOON

atlanta GA resturant when his wife AMY stated QUOTE "If anyone files any lawsuit against us, we will spend every penny to destroy the person'. She meant it. What she also stated by logical deduction, She and ROSE would spend all their CRIME ASSETS to prevent their own death row convictions..... got it now..... Even CALL my very ex wife Sherry Duncan home 770-825-0500 or cell 678-431-?? have to look it up. She goes to PRISON along with my two sinister sons as they ALL testified against me hoping I would be MURDERED in HELL JAIL, cremated, and NO ONE would ever investigate. Same applies now too... No fault or error of omission on any of my parts. I work for GOD for GodSendKeith.com may be next last 8th \*KEITH.com world GOd focused ministries... I publish THIS and everything else for THAT is what I teach our world with URLiDent.com GO TO FBI NOW.. understand.... ?

Wednesday, Dec 27, 2017. Still I work full-time as GOD's rights activist almost every day. Still can not find integrity driven persons to ORDER HOST of required Intl Press Conferences. This remains the most powerful world ministries required of mankind to destroy all crime networks in record time. For all the plagues of this world can be toppled by eliminating cyber crime terrorism. In basic terms, that is always the ability to control, pervert, forge, destroy, and manipulate electronic data since few people have access to original certified paper documents.

Robert Dee ROSE continues to be #1 most manhunted terrorist since even MILITARY has been infiltrated long ago. These reality stories shall go down in history as the cause and effects of total answers for social justice, peace, and re-creation of GOD's paradise of Heaven as original conceived for Earth. The objections, dead silence, cynic accusations are too numerous to re showcase. These are the ultimate prime models of reformation unification that shall survive all inequality attacks to the end of eternity time. Been 6 days since I posted PDF as I finally resurrected [IseelunderStand.com](http://IseelunderStand.com) Tree of Life [dropbox.com](http://dropbox.com) that survives ONLY by my very own extreme cost and efforts.

Now @ 6:45 pm at Starbucks waiting for Lady Erlin (single mother) to meet me from [twoo.com](http://twoo.com) connections as Relationship Re-management is also another gifted divined talent I share with world. My soon 2nd ex wife Marites Duncan still refuses to acknowledge anything as she lives in world of abject mindset poverty for +20 years.

Despite all the horrific crimes and threats to my life and IP assets, I remain steadfast in faith and ACTION to get all these only answer solutions to be mainstream new world society REALITY. USA Embassy is across the street. They too are USELESS as they violate Constitutional Laws of 1. Obstruction of Justice 2. So many other violations. Because ROSE blacklist cyber crime me before summer of 2008 when I demanded my own cash per 3 promissory notes be returned per signed binding legal contract.

Today I updated [SolutionJudge.com](http://SolutionJudge.com), [SolutionManifesto.com](http://SolutionManifesto.com) and myriad of other ONLY answer solution broadcasts to fine tune the unbreakable (irrevocable) methods that truly UNIFY all mankind. Since I have never had 'writer's block', I use time and GOD's resources in most conservative manners to demand/order/request the required INTL press Conferences that truly multiple the viral social media campaign already done years ago.

Erlin was meeting me at 5 pm, so two hours late I am concerned about her absence being so late. Text and calls go unanswered. Maybe dead cell or ?? Who knows, but GOD.

I have been TESTED to extreme by DEVIL ROSE, USA GOV, my own family, each of my own prepaid lawyers and everyone tied to ROSE and massive corruption that has no limits of cruelty to MY people.

Elrlin just called back. She went to Robinson Mall 7 blocks away even though I gave explicit WHERE we were meeting. Now I read [ManilaTimes.net](http://ManilaTimes.net) who I also have personally visited so so many times as well as so many other intl News media, I finally LOST COUNT.

This is also 'The Final Testament' written and broadcast to world to CHANGE course of your destiny. I am keith brent duncan, [GodSendKeith@Gmail.com](mailto:GodSendKeith@Gmail.com) = [FatherKeith.com](http://FatherKeith.com) [BuiltByKeith.com](http://BuiltByKeith.com) [SaviorKeith.com](http://SaviorKeith.com) [CreatorKeith.com](http://CreatorKeith.com) ([RescueKeith.com](http://RescueKeith.com)) [BidOnKeith.com](http://BidOnKeith.com) [GodSendKeith@gmail.com](mailto:GodSendKeith@gmail.com) DOB (1958-Aug-15) Intl ID 001-19580815-000001 Humble benevolent king of your new world society as #1 top Sovereign Ambassador Consultant for all national leaders. I have already reclaimed GOD's assets and provided all pathways of salvation for each of you to claim your inheritance of open public database decision driven society where no crime can be committed and go unpunished by vote testimony of any victim and rest of society. Everyone passes judgment on each other already, so now this is legalized as no one can be anonymous or autonomous anymore. Automatic Face Recognition and bio-metrics is the new 'SkyNet' of Open Circuit TV and eDevices I pioneered starting with perfected database communication protocol expertise and human psychology Aug 15, 1976 at N.C.S.U. Raleigh N.C. The rest is all displayed to GOD's glory on [IseelunderStand.com](http://IseelunderStand.com) and all the ultimate backup resources found in these world broadcast emails, prime directive video documentaries, and carefully indexed BBK(year month Day) \*.pdf files that truly change the course of your destinies of heritage timelines.

Mass Publicity using the internet, viral social media, and resulting PRESS CONFERENCES is the only way to go forth and multiple as GOD commanded Abraham to create a new world society free of greed, crime, vice, sin, and ability of anyone to establish dynasty monopolies to rape, pillage, plunder, murder, and destroy GOD's borrowed resources.

WHO will actually go forth and multiple by GOING DIRECT to top GOVERNMENT WORLD leaders and CORPORATE leaders as well as Religions Leaders at the highest levels of authority to DEMAND that the life and intellectual property of Keith Brent Duncan be protected and honored as the roadmaps to create total Peace and Harmony? Anyone at all. For tens of thousands of persons personally know myself. Soon all 7.5 billion people will recognize their own fateful destiny is because of their blinded greed and brainwashed cult conditions of most people falsely believing that NO ONE SINGLE person can ever change anything.

Look at all the most recent news events and anyone can see that one TERRORIST makes headlines for months. Yet any of these evangelist messianic messengers (such as myself), are severely persecuted for any reason. In my case, I was defrauded under binding legally enforceable contracts, then robbed, then these hardened criminals ([whereIsRobertRose.com](http://whereIsRobertRose.com)) paid off Judges, Police, my own lawyers to create false Cobb County TPO 11.1.1171.99 11.1.76.83 in Atlanta GA USA, so they could claim I VIOLATED the restraining order and have the USA GOV assassinate me in HELL-JAIL so NO ONE could EVER see any of the crime sprees of extremely powerful USA GOV officials prostituted with these satanic demons of Robert Dee Rose, ms. Bashama, my very ex-wife, and all associated by their very own certified signatures and court documents of Norfolk VA 4:11cr112. All these have been signed, sealed, and delivered to WORLD since everyone involved has already been legally and spiritually notified to SURRENDER to law enforcement or be MANHUNTED down by EVOTE.ONE and [URLiDent.com](http://URLiDent.com).

I remain impoverished spending my very last possession cash (1930 Model A Ford) bannered out to world with [IseeJustice.com](http://IseeJustice.com) on the front visor, and [FOLLOWkeith.com](http://FOLLOWkeith.com) on the rumble seat lid sitting in storage in Atlanta Georgia.

All my prime churches were asked to COME GET ME ([RescueKeith.com](http://RescueKeith.com)) in fall of 2011 after I was brutally kidnapped by ROSE Oct 3, 2011 based on the most comprehensive history of ROSE's crimes that were on these CD-ROMS, Powerhouse PCs, in the courthouses, in each of my lawyers hands and were broadcast to PUBLIC as soon as each crime was committed.

These are all the BASIS for WHY these are the only answer solutions my WORLD MUST USE to forever banish all slave trading enterprise, put many on DEATH ROW as they have no soul to save, and to force them into slave labor to repay their debts to the victims and society.

THERE is the new workforce to be used by [SolutionHousing.org](http://SolutionHousing.org) and [WOrldSchoolFUnd.com](http://WOrldSchoolFUnd.com) to build YOUR new world society free of crime and poverty.

Where do I GO NOW? All that has ever been required is to use master teacher evangelist crusader [BidOnKeith.com](http://BidOnKeith.com) problem solving teams to teach our world HOW to actually use basic principles of Integrity, Virtue, Ethics, and enforced trustworthiness to remove all crime networks. Keith

Some calculate Jesus Christ birth as 19th February 3 BC 40 days before the Day of passover. <https://youtu.be/qjXIAUbU9es>. Others claim other dates as early as 6 BC. Another on Jim Baker show (PTL) state birthday on first day of the Jewish New Year, known as Nissan 1, in 6 B.C.

All the number calculations of Prime Importance I have calculated this entire time to show WHY I was gifted by John 4:9 to teach our world HOW to save themselves from the WW4 that occurs very soon. WW3 is the most deadly silent war of the AntiChrist ROSE and others that uses cybercrime terrorism to selectively steal intellectual property and assets by transferring GOD's borrowed wealth to the Criminal Ruling Elite. WW4 is the terrorist attacks orchestrated and planned for decades by the most ruthless demonic cabal groups who work as prostitutes with underground crime RICO enterprises to create the ultimate fear and intimidation of Matthew Chapter 23 consisting of DON'T cares, Blinded FOOLS, Hypocrites, Cynics, Racists, Bigots, and the criminal brood of vipers known as serpents (the original satanic forces).

Dec 20, 2017. Kanihan Sa Manila Bay Cafe Adriatico. With Attorney ?? On electronic voting. They have new mega billion \$\$ system to record 50 million ballots with digital images so recounts are easier. Senator Marcos or Aquino? Objects to providing the basic information to others to confirm vote tallies. THIS eliminated forever with eVOTE.ONE. this is still a RED FLAG PAPER CHASE issues of a paper society that is beyond ripe for mass corruption for others to claim valid or wrong vote by intention. KEITH: Exactly WHEN will the ONLY system to reform unify mankind ACTUALLY hit mainstream public society? WHEN? For these finely tuned perfected systems were ready way back in 2011 right when ROSE was cyber attacking me and setting me up for those 3 kidnappings by his cyber crime cabal persons.

At 9:44 am on MacBook Video Recording (of same name) BBK20171220-KanihanManilaBay-PressConf-EVOTE2.mov raw, they discuss about Senator Bong Bong Marcos. They discuss machine counting and the horrific process of elections. All eliminated as we become a 100% real time decision making society based on law of large numbers (HIVE) will of majority. All aspects of this only process are fine tuned by voting for, by, and of the people. This becomes the new world society single Manifesto Constitution known as UNlocracy. At 9:47 am they discuss impeachment process and how to subpoena a person to testify any truth. Failure to respond to any subpoena is equated to guilty to the charge. THAT is why I was forced to appear at the ultimate kangaroo monkeyKings.INFO court hearings Cobb

County TPO 11.1.1171.99 11.1.7683,99 that go down in annals of infamy history as murder for hire conspiracies to cover up ALL the other crimes of each person involved.

At 10am, Attorney Ferdinand Topacio of OPLAW law office speaks on my world broadcast network. This video and real time online commentary. If I HAD free internet right now, this would be the most watched drama on INTL TV. [TOPLAWOffice@gmail.com](mailto:TOPLAWOffice@gmail.com) (652)571-0270 . They speak on criminal investigations, NBI roles, subpoenas, and how to utilize their Philippines PLUNDER laws to identify who are the real political criminals.

At timemark 10:14am he speaks on VACC (volunteers on Corruption Commission) my friend Dante Jimenez from 6 months ago at Manila Hotel Monday press conference on [IseelunderStand.com](http://IseelunderStand.com) that was JUST revived resurrected last night with minor payment of [DropBOX.com](http://DropBOX.com). QUESTIONS ON THE FLOOR now.

About public funds for hearings. Question in Tagalog on the controversial vaccination program. Speaking on former Congressperson Aquino, he speaks about how to make accusations in legal manner.

Dec 18, 2017. T Tapatan Sa Aristocrat Restaurant for forum on Drugs in the Philippines, Dengue one more time, An honest to goodness assessment of 2017. 6 news cameras with 35 people in our room discuss basic root issues.

Host: Melo cuna \* Sky Ortigas. Gen Dionisio Reyes Santiago (Former Chair Dangerous drugs board),

Part 3. Dr. Antonio Dans Cardiology UP-PGH, (3) **Dr. Teodoro Herbosa** Former Secretary DOH, EVP UP

Dr Lulu Bravo Institute for Health UP, Dr. May Montallana, Former Pres Phil Pediatrics Society, Engr Louie Sarmiento Pat 3 Presi PMSEA

(5) Mr. George Siy. Pres Integrated Dev Studies Inst

Eng Alberto Suansing, Former Chair LTFRB/Former ASec LTO

**Commodore Louie Tuason**, FEDERALISM ADVOCATE. Next to Host Melo Acuna.

Dr. Teodoro Herbosa. (glasses, big guy) speaks on drugs and health care system. Opening vRecord is about Federalism at 9:55am. 64% of taxes is set to be retained BY the LGU -local government group. Yet NO one has ever empowered all people to CONTROL and MANAGE all aspects of their own world. Corruption is self genocide of our human race. For no one lifts a finger who has any authority to DEMAND this total social justice system be used to replace ALL other forms of government and administrative red tape paper chase conspiracies. The Wheel of silence extends its tentacles of bigotry, racism, and pure satanic evil into all aspects of society. The primary virus has always been cybercrime terrorism in ability to selectively delete any crime investigations by systematically destroying and eliminating all whistleblowers who are actually the core HONEST integrity driven person of our world.

They speak about scalability at 10:08 am Mr. George Siy on far right (Chinese) speaks about traffic nightmare. Mass transport will be easy with [BidOnKeith.com](http://BidOnKeith.com) free train, subway, bus service to move our people almost unlimited distances including by ferry and blimps (even hydrogen driven with escape gliders in event of rare explosion). These gift broadcast to world well over 6 years ago.

Mr. Siy talks about organic food of high nutrient as he speaks on Coco products. SOVERIGNity is discussed.

At 10:16am, (vrecord 14min bookmark), Commodore Louie Tuason Federalism Advocate . Dr. Herbosa EDSA destabilization movement of 1987 actually worked at the time. 1991 hospitals turned over to the governors. Local health center control turned over to mayor. This did not work since political party rooster cockfights prevent anyone from actually fearlessly protecting the rights of our people. PhilHealth has a single payer system for health care. They speak on many related subjects (vrecord 22min bMark) about access to funds to actually benefit citizens.

Juvy Guzman speaks at bMark 23:45. Voice level is too low. I do NOT have my Leti Mic with me. I swap to new headset mic and it's much better at 10:32am. As Dr. Herbosa speaks more with Juvy on medical coverage. These ALL solved once any of these GOD ordained answers go PUBLIC. I place mic on back of new MacBook Air and get much better sound now.

Bad and nonexistent Roads are discussed by Dr. Herbosa as horrific barriers to easy access to emergency and normal health care. Keith has road mapped free health care for all 7.5 billion people. This destroys the ObamaCare paper chase conspiracy prime pyramid Ponzi schemes of demonic crime terrorists. Most are commonly known as politicians and corporate executives.

To make best decisions, statistics must be used to identify cause and effect and the most efficient way to use artificial intelligence to optimize flow of GOD's resources to be utilized by my people. V-bmark 7:30m at 10:39am start on Mac. On iPhone v-Bmark 11m from 10:28am start. Toll roads and plazas are also a crime of sell offs to foreign investors who rape, pillage, plunder, and even murder to acquire GOD's assets rather than you.

Dr Herbosa speaks about massive fraud on vaccination drug programs. Scandal after Scandal and NO ONE truly knows HOW to prevent in the first place. **I already HAVE.....**

**Both** voicerecords restarted at 10:50 with Commodore Tuason speaking on federalist. Job creation and improvement of infrastrature is a misnomer. Keith: Only by creating new world society of all small business owners can humanity collectively prosper and thrive.

Capitalism is DEAD and is actually a crime ridden system by who controls information. I truly miss my \$50,000 USD (actually more) high def video camera, 300 webcams, 4 iphones, 2 ipads, 3 Macbooks, 2 powerhouse PC servers, 4 other laptops that were all brutally stolen BY ROSE and Brian Walker 6 years ago. I am not the one living in the past as I live in real time, hence all these re-broadcast answers of what I have observed and SOLVED.

Dr. Herbosa finally speaks at 10:55am about crimes against humanity regarding the vaccination programs. Commodore speaks at 10:57 am bMark. In Tagalog so I do not comprehend. If I HAD any of my auto computer translation programs running with my Hi Def Microphone, I would have instant knowledge of what they discuss.

At 11:09 am vrecord, speed limits is discussed on their limited (toll) roads. He choral correlates road rage and traffic travel distress as cause of mental illness, higher heart attacks and other medical extreme costs caused by Political corruption (and AntiChrist controlling our world in spiritual reality). It's 11:15 am now.

Another world event documented by spiritual mastermind artist Keith Duncan, BIDonKeith.com Duncan as I await mass world publicity on any and all of the completed acts of wisdom to transform and unify our entire world. That has always been part of my own lifetime destiny obligations and purpose in life.

Tonight, I-we attend another art gallery opening with featured artists Ronald Castillo and Ivan Acuna at the Art Circle Gallery at Level 4 Shangri-La Plaza Mall EDSA Mandaulyoung City. [artcircle-gallery.com](http://artcircle-gallery.com). office (632)634-2205

Ronald is the second generation metal art sculpture artist as both his father and uncle started this exquisite form of heritage artwork decades ago. The portrait portrayals are of real events and activities cast in tin. Most are gold painted or silver plated depicting fishing dance, kite flying, tree climbing children, and other topical typical stories of humanity.

Ivan focus on surrealism of heritage art depicting story lines of philippine history, people, and the transactional relationships that are the mainstay of creative thinking and problem solving.

Many of the works of art throughout Philippines are religious based for the sole soul reason that the Spanish introduced Catholicism 500 years ago.

I got a historical call from my Upside Down Tree Art Root friend Richard Calligan, He is in Tagaytay struggling with basic NO MONEY just like almost rest of world. Poverty remains CAUSED by all the most massive Political Corruption and cybercrime terrorists in world history. Why mix or waste any of these answer solutions with false worlds.

From Bill Floyd on [facebook.com](https://www.facebook.com) recent post: ow do we have record breaking corporate profits and record breaking wealth levels for the super rich, and still have a suffering middle class?!?

Here's how that happened;

When we got invited to sit down at this card table of life (free market capitalism), we all were told that we'd all have an equal chance of 'winning'.

We didn't know that we would be playing against players that have dealt all the face cards to themselves.

Since the 80's, the elite have paid their reps in congress to change the tax laws, in their favor.

Between the tax breaks from hedge funds, capital gains, "free" trade, etc. the rich have gotten richer, corporate profits are growing, tax coffers are shrinking and the working class is getting screwed. Have you not been paying attention?!?!?

The Congressional Budget Office has found that between 1979 and 2007, the onset of the Great Recession, the gap in income -- after federal taxes and transfer payments -- more than tripled between the top one- percent of the population and everyone else. The (after-tax, after transfer) income of the top one-percent increased by 275 percent, while it increased 18 percent for the bottom quintile of the population, incomes and less than 40 percent for the middle three quintiles.

95 percent of all economic gains since the recovery began have gone to the top 1 percent.

Between the end of World War II and 1981 -- then the wealthiest Americans were getting paid a far lower share of total national income - - the highest marginal federal income tax rate never fell below 70 percent, and the effective rate (including tax deductions and credits) hovered around 50 percent.

But with Ronald Reagan's tax cut in 1981, and then George W. Bush's tax cuts of 2001 and 2003, taxes on top incomes were slashed, and tax loopholes favoring the wealthy, widened.

The implicit promise -- sometimes made explicit -- was that the benefits of such cuts would trickle down to the broad middle class and even to the poor.

As has been shown, however, nothing trickled down.

At a time in American history when the after-tax incomes of the wealthy continue to soar, while median household incomes are falling, and when we must invest far more in education and infrastructure, it seems appropriate to raise the top marginal tax rate, and close tax loopholes that disproportionately favor the wealthy.

Enough Is Enough!!!!
