I am 100% serial victim of organized criminals led by Robert Dee Rose and Atty Alexander Cyclone Covey who roam freely since NO ONE actually investigates cyber criminals based on the reality transfer of estimated \$30 TRILLION USD assets annually.

Cyber Crime is the most profitable business of theft by conversion and subsequent money laundering of IRSWBFeb2009,658, 659, 671, 672 held by Nora.Beardsley@irs.gov and Atty Jimmy Deal (norcross GA 770-263-7200)

The extreme irrevocable irrefutable chain of timelined evidence always showed conspiracies to isolate Keith away from his files, his massive computer technology, his homes, his overwhelming and 100% conclusive evidence of deadly serious focus of ROBERT DEE ROSE and Douglas Vernon Duncan to murder keith using any ways and mean opportunities.

Attached is the most recent resratt of the most profitable LandMark Class Action Lawsuit in USA history based on

Marietta Police Dept Report 1.11.2506 original EVB0 Version 1 created Feb 4, 2011 by Officer JC Scott that was subsequently forged 4 more times by showing Keith allegedly kidnapped someone?, assaulted someone???, Obstructed Justice, and stole ?? something of less than \$500 Value.

Must have been my very own cell phone that was in possession of Wendell Carraway and Ms. Bashama at 10am Feb 4, 2011 morning when I called

[K911.MOBI](#) two times for Marietta Police Officer Wishon to arrest Ms. bashama at Marietta Square. Refer to video on <http://youtu.be/xFwZUn2yWXA> #88b Video Evidence.

The Original false charge was not signed not dated, yet issued Sept 26, 2011 at 9 am by ROSE and Cherokee County CID officer Matt Pettepher on false claims I had sent ROSE one child endangerment video 45 seconds Long I recorded Nov 14, 2010 (twenty TEN). This is the only evidence I gave Atty Alexander Cyclone Covey in June 2011 (twenty Eleven) when Cyclone subpoenaed me to appear Oct 25, 2011 Fulton County Court to testify WITH FBI AG and PRESS against Robert Dee Rose on RICO charges.

The bond was \$680 USD. Once I was extradited to Cherokee County Hell Jail on Oct 25, 2011, second false charge of ONE LINKED IN EMAIL two lines long was added and BOND was increased to \$50,000 USD.

Atty Ross Grishim I hired for \$27,500 USD in Canton GA to GO DIRECT to FBI and PRESS and formal request I be FINALLY entered into Federal Witness Protection PROGRAM as required by all constitutional laws.

Subsequent crimes were so numerous I PERSONALLY documented each of them never done by ANYONE.
